You and the METRO Q® Fare Card

Your **METRO Q® Fare Card** is your pass to the Texas Medical Center shuttle system. This means that you can ride between the four TMC rail stations (Memorial Hermann/Houston Zoo, Dryden/TMC, TMC Transit Center and Smith Lands) and the three TMC shuttle routes (Red, White & Blue) just by showing the **METRO Q® Fare Card** when asked by a METRO Police Officer.

You will have to pay for METRO services if traveling outside the TMC zone. Parkers who

board the train at one of the four TMC area stations and plan to ride outside the TMC zone will need to add money to your **METRO Q® Fare Card** and then tap it on the Q Box at the station before boarding the train.

You need to register your **METRO Q® Fare Card** at METRO RideStores or by calling METRO help desk at 713-739-3767. Think of registering the card as a personal balance protection plan should you lose or have your **METRO Q® Fare Card** stolen.
