DECLARING THAT THE METROPOLITAN TRANSIT AUTHORITY OF HARRIS COUNTY (METRO) IS IN FULL CONCURRENCE WITH THE STATE DEPARTMENT OF HIGHWAYS AND PUBLIC TRANSPORTATION (SDHPT) APPLICATION TO THE URBAN MASS TRANSPORTATION ADMINISTRATION (UMTA) FOR PARTIAL FUNDING OF DESIGN AND CONSTRUCTION OF THE NORTH FREEWAY MEDIAN TRANSITWAY.

WHEREAS, the SDHPT and METRO do mutually agree in the positive impacts an UMTA sponsored Contraflow project has had in significantly increasing person movement and transit and vanpool utilization on the North Freeway; and

WHEREAS, the SDHPT and METRO desire to replace the Contraflow project on the North Freeway with an exclusive median transitway due to Contraflow's operational cost and its impact on non-peak traffic level of service; and

WHEREAS, the SDHPT and METRO are seeking to secure joint funding of this median transitway as an incremental part of the North Freeway corridor's improvement program from the Federal Highway Administration and UMTA; and

WHEREAS, the SDHPT is preparing a grant application to UMTA for partial funding of design and construction of the median transitway on the North Freeway.

A RESOLUTION

AUTHORIZING PETITIONING THE CITY OF HOUSTON FOR ABANDONMENT OF SWOPE STREET.

WHEREAS, the Metropolitan Transit Authority Polk Street Maintenance Facility abuts on Swope Street; and

WHEREAS, the current status of Swope Street as a public thoroughfare will create major traffic flow problems once the Polk Street Maintenance Facility commences operations (estimated to be January 1, 1982), which problems would create a potentially dangerous situation for the buses and any other traffic which might use that street; and

WHEREAS, the dedicated area of Swope Street is only two (2) blocks long and used, for all practical purposes, only by METRO in connection with the Polk Street Maintenance Facility; and

WHEREAS, the METRO staff has determined that it would be in the best interest of the public for Swope Street to be abandoned; and

WHEREAS, it is necessary to petition the City of Houston along with all other owners of real property abutting on the street to be abandoned and receive the City's approval of such abandonment; and

WHEREAS, the City will require payment of the appraised market value of the street by the abutting landowners in order to approve such abandonment.

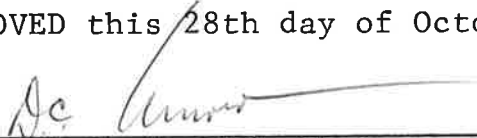

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1: The Executive Director be authorized to petition the City of Houston for abandonment of Swope Street and to take any and all other actions deemed necessary by the Executive Director in furtherance of such petition; provided, however, that the amount to be paid for the abandonment of Swope Street is subject to the prior approval of the Board.

Section 2: This resolution shall be effective immediately upon its passage.

PASSED this 28th day of October, 1981.
