A RESOLUTION

BOARD POLICY STATEMENT ON STRATEGIC PLANNING EXPRESSING THE INTENTION OF THE BOARD OF DIRECTORS TO EXAMINE ALL REASONABLE ALTERNATIVES TO MEET THE TRANSIT NEEDS OF THE METRO REGION THROUGH THE YEAR 2020; AND MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, in 1992, the METRO Board of Directors adopted the Regional Bus Plan as the preferred transit alternative for meeting the transit needs of the Houston metropolitan region through the planning year 2010; and

WHEREAS, subsequently METRO has implemented major components of the Regional Bus Plan with federal funding assistance under a Full Funding Grant Agreement with the Federal Transit Administration; and

WHEREAS, the Regional Bus Plan, although not yet completely developed, has resulted in transit ridership reaching record levels in 1997; and

WHEREAS, the Board of Directors wishes to build upon the success of the Regional Bus Plan as planning for the next phase of transit development is undertaken; and

WHEREAS, in 1997, the Board of Directors approved the concept of additional transit improvements to meet the anticipated transit needs of the region through planning year 2020, a conceptual plan identified as the “Advanced Transit Program”; and

WHEREAS, in recent months the Board of Directors has authorized and directed METRO staff to undertake Major Investment Studies of transit system improvements in several of the travel corridors with the greatest anticipated travel demand; and
WHEREAS, the Board of Directors is of the opinion that it is appropriate, as it was in 1992 at the outset of the Regional bus Plan, to express its intention to take a fresh look at all reasonable transit system alternatives to meet the anticipated demands of the region through 2020;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. It is the intention of the Board of Directors that, as METRO staff undertakes Major Investment Studies and other related planning activities in furtherance of the Advanced Transit Program, the studies shall examine all reasonable transit system solutions for the various travel corridors and other portions of the METRO service area, including consideration of high capacity fixed guideway or rail systems.

Section 2. In conducting the Major Investment Studies and other planning activities, the METRO staff shall consider cost effectiveness, ease of access and use, reliability, safety, environmental impact, likelihood of the system to attract new patrons, impact on and integration into the neighborhoods in which the system operates, and suitability and effectiveness of the system in meeting the transit needs of those current and potential patrons with special transit needs.

Section 3. The General Manager shall from time to time as he considers appropriate or as the Board may direct, report to the Board on the status and/or results of the studies performed in response to the directiveness and guidance provided herein.

**Remarks**

- Funding proposed to be extended to FY 2008.
NOTES ON CASH FLOW
In January 1998, the General Manager requested a new series of cash flow studies be performed in preparation for the METRO FY1999 strategic planning process. This document labeled "Cash Flow Studies FY1999 -- Findings" presents the study findings.

The long range cash flow scenario last issued was #482 in September 1996. See Attachment A for a copy.

Updates to #482

- FY1996 data has been changed from projected to audited actual.
- FY1997 data has been changed from projected to audited actual.
- The settlement of the SPRR suit has been incorporated into the cash flow. The Westpark corridor property has been divided into three METRO projects as follows:
  
  A. RBP (federal component) Westpark Phase I HOV from Hillcroft Transit Center to Wilcrest = 4.807 miles.
  B. RBP (local component) Westpark Phase II HOV from Wilcrest to Highway 6 = 4.445 miles.
  C. Inner Westpark from Shepherd to Hillcroft Transit Center (potential Advanced Transit Program (2020) project) = 4.763 miles.

Using real estate acquisition valuation principles, the following costs (incurred and anticipated) have been allocated to the three projects: purchase price to SPRR, METRO support costs for acquisition, cost of relocation of SPRR to Missouri City line, the uneconomic remnants from Highway 6 to Eagle Lake = 43.117 miles, and Dunlavy to Shepherd = 0.524 miles.

The resulting real estate cost for these projects is as follows:

The RBP Phase I and II expenditures are included in the cash flow under the RBP project. The Inner Westpark expenditures are included in the cash flow under Bus, Support Facilities and Equipment, Land -- not under Advanced Transit Program (2020). METRO will have to obtain FTA agreement on the costs and their allocation among the three projects.

The cash flow does not contain any provisions for METRO supplying surplus Westpark corridor land for a Maximum Efficiency Transitway (MET). If METRO sells surplus land for a MET, the federal share of the total acquisition cost, if any, would have to be returned to FTA.

Assumptions

- The HCA/FTA impasse was resolved, at least temporarily, in September 1997. It is assumed the RBP will continue to be implemented as currently agreed between FTA and METRO.

- Inflation is assumed to be as projected by Barton Smith in his June 1997 METRO forecast. See Attachment B for a list of the inflation factors.

- Real growth in Sales Tax Revenue will be as forecast by Barton Smith in his June 1997 METRO Forecast. See Attachment B for a list of the real growth factors.

- Bus fares will be increased to cover inflation only, but no cash local fare increase will be greater than 15¢. Increases will be in alternating years beginning with October 1, 2000.

There will be proportionate increases to the entire fare structure and the mix of transit ridership will be approximately the same as now exits. The Board removed the 40% fare recovery goal in FY1997.

- METRO's service plans prior to FY1997 contained increases in bus service in accord with the forecasts made for the Regional Bus Plan. During 1996, HGAC concluded a set of studies which predict that bus ridership will increase only about 1% per year on average through FY2020. This is a reduced forecast from that in the Regional Bus Plan. Over the five years ending September 1996, METRO increased revenue miles of service by 20%. During the same time span, total transit passenger trips decreased by 4.5%. This data suggests that METRO service could be re-deployed with an increase in effectiveness. The FY1997 Service Plan recommended that for the next few years METRO re-deploy existing bus service--moving some service from areas of low productivity to areas of higher productivity. This re-deployment is expected to increase ridership via deeper market penetration with small increases in service cost. During FY1997 METRO transit ridership increased 8.3% over FY1996 and through the first quarter of FY1998 is up
10.9% over FY1997. The cash flow assumes a 1% annual real growth in transit ridership and a corresponding 1% annual real growth in transit operating expenses.

- The level of METRO's traffic management services is assumed to remain constant with zero real growth.

- The Regional Bus Plan (RBP) has been rescheduled as follows:

  ⇒ The $625 million federal component now has a completion date of FY2004 as compared to the current RBP Full Funding Grant agreement completion date of FY2002. This will require FTA agreement. The request to extend two years is based on the HCA lawsuit impacts.

  ⇒ The $375 million local component now has a completion date of FY2010. The longer completion period will reduce the burden on the cash flow while the federal component is being completed, will lessen the burden on METRO staff and the Houston engineering/construction market, and is consistent with the ridership/service growth rate. Some projects and project elements will be completed early due to specific project needs.

- It is assumed the Advanced Transit Program (2020) will be added to the Capital CIP by the Board. The Regional Bus Plan Phase II projects (expenditures and associated grants) previously included in the capital CIP have been deleted from the Regional Bus Plan as they have been absorbed into the 2020 Program basket of projects. This leaves the Regional Bus Plan Phase I project at $1.0 billion as agreed in the Full Funding Grant Agreement. In its first submittal to Congress on the Advanced Transit Program (2020) in 1997, METRO identified a program of projects totaling $605.8 million with a 50-50 federal/METRO split. For study purposes, the cash flow assumes METRO will expend $1.0 billion on the Advanced Transit Plan over the period FY1998-2010 at 50-50. The expenditure cash flow for the first 6 years FY2000 - FY2005 totals $312.4 million -- about half the total package submitted to Congress.

- METRO staff have not yet completed the annual detailed update to capital project schedules reflecting current project status. Accordingly, the cash flow scenario has been labeled "Pro Forma" to reflect its incomplete status. It is sufficient to produce "order of magnitude" results.
Program adjustments to balance cash flow

The following program adjustments have been made to balance cash flow:

- Projects in the cash flow under the capital line items -- Regional Bus Plan; transitways and related facilities; buses, support facilities and equipment, land; and METRO 2020 Plan will be balanced by adjusting schedules as project details are worked through in the Capital CIP update.

- The general mobility designated projects are adjusted to reflect actual project costs incurred, anticipated project costs, and schedule slippages.

- The general mobility infrastructure payments will be phased out over three years as follows:

- General mobility funds for FY2003-2010 will be set equal to 23% of forecast sales tax revenues. All available funds not committed in the designated projects, the infrastructure program or forecast project costs will be shown as "undesignated funds" in the General Mobility CIP.

The cash flow scenario resulting from the updates, assumptions, and balancing adjustments is documented as Case #526. See Attachment C for a copy.

WHEREAS, Section 451-105, TEXAS TRANSPORTATION CODE, authorizes the Metropolitan Transit Authority of Harris County, Texas (METRO”) to designate one or more banks to serve as the depository for the funds of METRO; and

WHEREAS, Article IV § 1 of the METRO By-laws provides that all checks, drafts, notes or other orders for the payment of money shall be signed by such officers or employees of METRO as shall from time to time be authorized by resolution of the Board; and

WHEREAS, pursuant to Board Resolution 96-107, METRO established certain demand deposit and savings accounts (“Accounts”) with a number of local banking institutions, including an account with NationsBank for payment of non-union medical claims; and

WHEREAS, Southwest Bank of Texas (“Bank”) offers certain services which would enhance control of cash disbursements for non-union medical claims; and

WHEREAS, it is desirable to authorize a new operating account to improve METRO’s cash management;
NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. Resolution No. 96-107 is hereby amended.

Section 2. The General Manager or his designee be and he is hereby authorized and directed to take such action as is necessary to close METRO’s existing account with NationsBank.

Section 3. The General Manager or his designee be and he is hereby authorized and directed to execute and deliver agreement(s) ("Depository Contracts") with Southwest Bank of Texas setting forth the terms and conditions upon which the Bank will accept deposits to the Account and permit withdrawals and transfers from and to the Account. The General Manager or his designee may agree in said Depository Contracts that the Bank will be relieved from liability under the Depository Contracts if it acts in accordance with said Contracts and, further, that METRO assumes full responsibility for any and all payments made by said Bank in reliance upon the facsimile signature of any persons named in the Addendum and agrees to indemnify and hold harmless said Bank against any and all loss, cost, damage or expense suffered or incurred by said Bank arising out of the misuse or unlawful or unauthorized use by any person of such facsimile signature.
Section 4. Withdrawal of Funds. The Board hereby authorizes the withdrawal of funds from the Accounts upon the written or telephone instructions of METRO by the person or persons designated in the addendum.

Section 5. Certification of Resolution. The Secretary or any Assistant Secretary is hereby authorized and directed to certify this resolution to the Bank.

Section 6. Amendment of Recession. The Banks in which METRO has accounts or any one of them shall be promptly notified in writing by the Secretary or any Assistant Secretary of any change in this Resolution and until the Banks or any one of them have actually received such notice in writing, the Bank or any one of them are authorized to act in pursuance of the Resolution.

AMENDING METRO’S PROCUREMENT PROCEDURES FOR ACQUISITION OF PROFESSIONAL, PERSONAL AND NON-PERSONAL SERVICES; AND MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, METRO has established guidelines for the acquisition of goods and services; and

WHEREAS, by Resolution 85-88, METRO’s Board of Directors approved certain procedures for the procurement of professional, personal and non-personal services, which provide minimal opportunities for the Board to participate in direct review of the capabilities of qualified firms; and

WHEREAS, the Board is of the opinion that the selection process will be enhanced by procedures which permit the Board, when appropriate, to receive additional information about qualified firms; and

WHEREAS, the Board desires to amend METRO’s procedures for the procurement of professional, personal and applicable non-personal services;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. The Procedures for the Procurement of Professional, Personal and Non-Personal Services are hereby amended by adding thereto a Section VII-A as follows:

"VII-A. GUIDELINE FOR THE PROCUREMENT OF PROFESSIONAL, PERSONAL AND NON-PERSONAL SERVICES.

In procuring professional, personal and applicable non-personal services anticipated to exceed $10,000 when funded in whole or in part with federal grant funds and
$25,000 when locally-funded under the authority to contract professional, personal and non-personal services procedures, the General Manager shall present the list of fully qualified proposes that fall within a competitive range (short list), based on qualifications to METRO Board of Directors Future Programs Committee or such other Committee as designated by the Chairman of the Board for review, with or without recommendation for award. The Committee shall designate in accordance with the attached guidelines, a recommended award for consideration by the full Board. The Board shall authorize the General Manager to negotiate and execute a contract with the designated award. Should negotiations fail, the General Manager is authorized to negotiate with the firms on the short list in ranked order.”

Section 2. The amended procedures for the procurement of professional, personal and non-personal services will be reviewed, at such time as the Board may determine, for any changes and modifications that may be required.

Section 3. This resolution is effective immediately upon passage.

DELEGATING TO THE GENERAL MANAGER AUTHORITY TO NEGOTIATE, EXECUTE AND DELIVER REVENUE GENERATING AGREEMENTS WITH OTHER GOVERNMENTAL ENTITIES OR PRIVATE SOURCES; AND MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, METRO is authorized by §451.055, Texas Transportation Code, to accept grants from any person; and

WHEREAS, METRO is authorized to enter into intergovernmental agreements under the Interlocal Cooperation Act, Chapter 791, TEXAS GOVERNMENT CODE; and

WHEREAS, METRO routinely enters into agreements with other governmental entities and private sources to subsidize all or a portion of its various services; and

WHEREAS, the Board of Directors is of the opinion that administrative efficiency will be served by delegating authority to the General Manager to negotiate, execute and deliver appropriate agreements with other governmental entities or private sources for receipt of revenue from those sources to subsidize METRO services approved by the Board of Directors through the service plan, annual operating budget or other Board action;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. The Board of Directors hereby delegates to and confers on the General Manager the authority to negotiate, execute and deliver agreements with other governmental entities or private sources for the receipt of revenue to subsidize METRO
services otherwise approved by the Board of Directors through the adoption of a service plan, annual operating budget or other action. This delegation and authorization includes the authority to include in the agreement receipt of funding for activities ancillary to the service such as advertising and promotion of the service or other related activities. This delegation and authorization also includes the authority to accept revenue from other governmental entities or private sources whether such revenue is designated as a grant, gift or by some other designation and to apply for and execute appropriate grant applications, conduct appropriate public hearings and execute grant agreements or other contractual documents necessary to secure the revenue.

Section 2. It is the intent of the Board of Directors that this delegation and authorization is the authorization required by §791.011, TEXAS GOVERNMENT CODE, for interlocal agreements.

AMENDING THE GUIDELINES ON PUBLIC COMMENTS AT BOARD MEETINGS; AND
MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, by way of Resolution 90-159, the Board adopted Guidelines for Public Comments at Board Meetings; and

WHEREAS, the Guidelines do not address consecutive appearances by the same speaker on the same or similar issues; and

WHEREAS, it is appropriate that the Guidelines be amended to avoid unreasonably repetitious comments and permit maximum opportunity to those who have not previously addressed the Board;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. The Board of Directors hereby amends the Guidelines on Public Comments at Board Meetings by its approval and adoption of the following provision:

Consecutive Appearances:

For his first appearance before the Board, a speaker will be afforded up to three (3) minutes for his presentation. If the same speaker wishes to address the Board again at the next regularly scheduled monthly meeting, on the same or similar topic, he will be afforded up to two (2) minutes for his presentation. If the same speaker wishes to address the Board for a third consecutive time, on the same or similar topic, he will be permitted
only one (1) minute for his presentation. The cycle will begin again after the
speaker has refrained from any previous appearances before the Board for
the preceding two-(2) month period.

Speakers with three (3) minutes of allocated time will speak first,
followed by the speakers with two (2) minutes of allocated time. Speakers
with the minimum one (1) minute of allocated time will speak last.

A RESOLUTION

RESCINDING RESOLUTION NO. 95-156; AUTHORIZING EXECUTION AND DELIVERY OF DEPOSITORY CONTRACTS BY AND BETWEEN THE METROPOLITAN TRANSIT AUTHORITY OF HARRIS COUNTY, TEXAS AND SPECIFIED BANKING INSTITUTIONS INCLUDING THE AUTHORIZATION FOR SPECIFIED INDIVIDUALS TO TRANSFER AND WITHDRAW FUNDS ON METRO’S BEHALF; AND MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, Section 451.105, TEXAS TRANSPORTATION CODE, authorizes the Metropolitan Transit Authority of Harris County, Texas ("METRO") to designate one or more banks to serve as the depository for the funds of METRO; and

WHEREAS, METRO has established certain demand deposit and savings accounts ("Accounts") with a number of local banking institutions ("Banks"); and

WHEREAS, METRO to invest its funds in direct or indirect obligations of the United State of America, the State of Texas, or any county, city, school district or other political subdivision of the State of Texas, to place its funds in certificates of deposit of state or national banks or savings and loan associations within the State of Texas provided they are secured in the manner provided for the security of funds of counties of the State of Texas and it,
further provides for the investment and reinvestment of its funds and, further, provides for the withdrawal of money from the Accounts for the investments on such terms as the Board considers advisable (all of the foregoing herein called “Investments”); and

WHEREAS, Article IV §3 of the METRO By-laws provides that the Board, by resolution, may designate authorized representatives of METRO to make withdrawals from the Accounts of METRO, for the Investments of METRO; and

WHEREAS, the Board previously enacted Resolution No. 95-156 establishing the Accounts and authorizing signatories thereon; and

WHEREAS it is necessary to change the authorized signatories and authorized facsimile signatures authorized by Resolution No. 95-156 due to personnel changes;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. Resolution No. 95-156 is hereby rescinded.

Section 2. The General Manager or his designee be and he is hereby authorized and directed to execute and deliver agreements (“Depository Contracts”) with the Banks designated in the Addendum attached hereto and incorporated herein setting forth the terms and conditions upon which the Banks will accept deposits to the Accounts and permit withdrawals and transfers from and between the Accounts. The General Manager or his designee may agree in said Depository Contracts that the Banks will be relieved from liability under the Depository Contracts if they act in accordance with said Contracts and, further, that METRO assume full responsibility for any and all payments made by
said Banks in reliance upon the facsimile signature of any person or persons named in the Addendum and agrees to indemnify and hold harmless said Banks against any and all loss, cost, damage or expense suffered or incurred by said Banks arising out of the misuse or unlawful or unauthorized use by any person of such facsimile signature.

Section 3. Withdrawal of Funds. The Board hereby authorizes the withdrawal of funds from the Accounts upon the written or telephone instructions of METRO by the person or persons designated in the addendum.

Section 4. Investments. The Board hereby authorizes the withdrawal of funds from the Accounts pursuant to the Depository Contracts upon the written instruction of METRO signed by the person or persons designated in the Addendum for the Investment.

The Board hereby authorizes and directs the withdrawal of funds from the Accounts for the Investments, including without limitation, the purchase by METRO of Treasury Bills, repurchase agreements and certificates of deposit, and the Board further authorizes the withdrawal of funds from the Accounts for the Investments upon the telephonic instructions of the person or persons designated in the Addendum (which instructions shall be thereafter confirmed in writing by the persons designated in the addendum as authorized to confirm telephonic investment transactions).

Section 5. Certification of Resolution. The Secretary or any Assistant Secretary is hereby authorized and directed to certify this Resolution to the Banks or any one of them.
Section 6. **Amendment or Recision.** The Banks or any one of them shall be promptly notified in writing by the Secretary or any Assistant Secretary of any change in this Resolution and until the Banks or any one of them have actually received such notice in writing, the Banks or any one of them are authorized to act in pursuance of this Resolution.

Section 7. **Effective Date.** This resolution is effective immediately upon passage.

A Resolution Dedicating
the Metropolitan Transit Authority’s
Hillcroft Transit Center
to the memory of

ASHUR A. AIWASE

Whereas, Ashur A. Aiwase was a distinguished engineer employed by the Metropolitan Transit Authority from March 1984 to the day of his death on September 15, 1997; and

Whereas, METRO lost not only a talented professional with boundless energy but also a very special human being who was greatly loved by his co-workers; and

Whereas, Ashur was a native of Iran with an Assyrian and Christian heritage, who was taught by his mother at an early age the value of hard work and respect for others; and

Whereas, Ashur began his construction and engineering career with Brown and Root in Iran but later completed his Architectural Engineering degree at the University of Texas; and

Whereas, Ashur not only became a dedicated lifelong Longhorn but he also became a fiercely loyal and patriotic American who absolutely would not tolerate any criticism of his adopted country; and

Whereas, Ashur became one of METRO’s most trusted and responsible Project Managers, completing such large and significant facilities as the Northwest Transit Center, the Hillcroft Transit Center and the Fallbrook Bus Operating Facility; and

Whereas, Ashur touched so many lives with his exuberant personality, wonderful humor and sincere compassion for the problems of others;

It is both fitting and proper for the Board of Directors of the Metropolitan Transit Authority to pay tribute to this unique individual.

Now therefore be it resolved that in recognition of an outstanding employee, a beloved member of the METRO family and a person of great integrity and humanity, the Hillcroft Transit Center shall be dedicated to the memory of Ashur A. Aiwase.

EXPRESSING METRO'S COMMITMENT FOR CONSTRUCTION OF A TRANSIT FACILITY TO SERVE PATRONS AND VISITORS TO EVENTS AT UNION STATION; AND MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, the Harris County Sports Authority has initiated construction of a ballpark at Union Station; and

WHEREAS, a transportation plan and support facilities will improve mobility and lessen traffic congestion in and around Union Station during sports events; and

WHEREAS, METRO has historically provided transit service and coordination of traffic management at major public gatherings such as rodeos, conventions, football games and festivals, and is committed to a continuation of such efforts to provide service to patrons attending sporting events at Union Station; and

WHEREAS, mobility will be enhanced by construction of a transit facility; and

WHEREAS, the Board of Directors is of the opinion that it is appropriate that METRO set forth its commitment for construction of a transit facility to serve Union Station;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. The Board of Directors hereby expresses its commitment for construction of a transit facility to serve patrons and visitors to Union Station, on land to be purchased and provided by the Sports Authority for that facility. METRO would also
be willing to execute a long term lease of the land for provision of transit services at a nominal rate of $1.00 per year.

APPROVING CONTINUED OPERATION OF THE QUICKRIDE PROGRAM; AUTHORIZING AND DIRECTING THE GENERAL MANAGER TO SUBMIT A GRANT APPLICATION TO THE FEDERAL HIGHWAY ADMINISTRATION FOR FUNDING FOR THE PROGRAM AND EXECUTE ANY RESULTING GRANT CONTRACTS; AND MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, federal regulations have supported value pricing on major thoroughfares as a means of enhancing mobility during peak driving periods; and

WHEREAS, in January, 1998, METRO implemented a value pricing program on the Katy Freeway High Occupancy Vehicle Lane ("HOV Lane"), known as "QuickRide", in which 2-person carpools are assessed a fee for use of the HOV Lane during periods when access is otherwise restricted to carpools of three persons or more; and

WHEREAS, the QuickRide program has received favorable public response and has enhanced overall mobility on congested freeways; and

WHEREAS, continued support and funding for value pricing programs is contained in the 1998 transportation reauthorization bill, known as the Transportation Equity Act for the 21st Century, or "TEA-21"; and

WHEREAS, it is appropriate that the QuickRide program be continued and that METRO make such efforts as are necessary to obtain federal funding under the Value Pricing Pilot Program, provided in TEA-21, and which is administered through the Federal Highway Administration; and

WHEREAS, the Board of Directors has also considered procedures to enhance efficiency of operation;

A Resolution Commending
Robert G. MacLennan, P.E.
for his service to the
Metropolitan Transit Authority of Harris County

Whereas, Robert G. MacLennan is retiring from his position as METRO's General Manager at the end of this year; and

Whereas, Bob MacLennan has served as the Authority's chief executive for nine years, the longest tenure of any METRO General Manager; and

Whereas, prior to joining METRO Bob MacLennan had completed a distinguished career in the U.S. Army Corps of Engineers, retiring with the rank of Colonel; and

Whereas, Bob MacLennan also served METRO for three years as Assistant General Manager for Engineering, Construction and Real Estate; and

Whereas, among Bob MacLennan's many accomplishments are such innovative developments as the multiagency TransStar traffic management center, the National Automated Highway Demonstration and METRO's involvement in the Intelligent Vehicle Initiative; and

Whereas, under Bob MacLennan's direction METRO has built eight transit centers, three Park & Ride lots, the new Fallbrook operating facility, 35 additional miles of HOV lanes and many lane miles of street improvements throughout the region; and

Whereas, ridership on the METRO system has reached record levels during Bob MacLennan's time as General Manager; and

Whereas, Bob MacLennan's ready smile and quick intelligence have made him a popular ambassador for METRO within the Houston community as well as with national and international transportation groups; and

Whereas, Bob MacLennan has consistently managed METRO's multimillion dollar capital and operating budgets with prudence and observance of the highest ethical standards; and

Whereas, Bob MacLennan has been a true champion of public transportation, supporting the employees in all areas of the Authority and setting a strong personal example by becoming a regular bus rider; and

Whereas, Bob MacLennan has served this Authority with great energy, effectiveness and a high degree of professionalism;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Robert G. MacLennan is hereby honored and commended for his dedicated service to METRO and to the residents of our region.

AMENDING RESOLUTION 98-80; AUTHORIZING THE EXECUTION AND DELIVERY OF DEPOSITORY CONTRACTS WITH BANKING INSTITUTIONS; DESIGNATING THOSE PERSONS WITH SIGNATURE AUTHORITY FOR METRO’S ACCOUNTS; AND MAKING FINDINGS AND PROVISIONS RELATIVE TO THE SUBJECT.

WHEREAS, Section 451-105, TEXAS TRANSPORTATION CODE, authorizes the Metropolitan Transit Authority of Harris County, Texas (“METRO”) to designate one or more banks to serve as the depository for the funds for METRO; and

WHEREAS, Article IV §1 of the METRO by-laws provide that all checks, drafts, notes or other orders for the payment of money shall be signed by such officers or employees of METRO as shall from time to time be authorized by resolution of the Board; and

WHEREAS, pursuant to Board Resolution 98-80, the Board authorized the execution of agreements with banking institutions for demand deposit and savings accounts and designated those persons authorized to transfer or withdraw funds from those accounts; and

WHEREAS, recent personnel changes make it necessary to revise the list of persons with signature authority;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. Resolution 98-80 is hereby amended.
Section 2. The General Manager or his designee be and he is hereby authorized and directed to execute and deliver agreement(s) (Depository Contracts") with banking institutions in which METRO has accounts setting forth the terms and conditions upon which the Banks will accept deposits to the Accounts and permit withdrawals and transfers from and to the Accounts. The General Manager or his designee may agree in said Depository Contracts that the Banks will be relieved from liability under the Depository Contracts if it acts in accordance with said Contracts and, further, that METRO assume full responsibility for any and all payments made by said Bank in reliance upon the facsimile signature of any persons named in the Addendum and agrees to indemnify and hold harmless said Bank against any and all loss, cost, damage or expense suffered or incurred by said Bank arising out of the misuse or unlawful or unauthorized use by any person of such facsimile signature.

Section 3. Withdrawal of Funds. The Board hereby authorizes the withdrawal of funds from the Accounts upon the written or telephone instruction of METRO by the person or persons designated in the addendum.

Section 4. Certification of Resolution. The Secretary or any Assistant Secretary is hereby authorized and directed to certify this resolution to the Banks.
Section 5. Amendment of Recession. The Banks in which METRO has accounts or any one of them shall be promptly notified in writing by the Secretary or any Assistant Secretary of any change in this Resolution and until the Banks or any one of them have actually received such notice in writing, the Bank or any one of them are authorized to act in pursuit of the Resolution.
