A RESOLUTION

WHEREAS, the Board of Directors is hereby expressing METRO's support for the Uptown Houston Dedicated Bus Lane Project, a project between the Texas Department of Transportation, the City of Houston and the Uptown District in which METRO's sole obligation is to provide and operate buses; and

WHEREAS, the Chairman of the Board has been asked to sign a joint statement dated July 3, 2014, from the Texas Department of Transportation which states: "We the undersigned agree that the I-610 Dedicated Bus Lane Facility is to be designed and built to support a dedicated bus lane. As designed, the facility will not support a rail component." (Exhibit A); and

WHEREAS, the Texas Attorney General has been asked to render a legal opinion on whether signing this joint letter would violate METRO's contract with the voters as expressed in the 2003 METRO Referendum; and

WHEREAS, the Board's authorization for the Chairman to sign the joint letter dated July 3, 2014, is contingent and the Chairman's signature is valid only if METRO receives a legal opinion from the Texas Attorney General that holds that METRO's signature on the joint statement will not violate METRO's contract with the voters arising from the 2003 referendum; and

WHEREAS, irrespective of the ultimate conclusions of the Attorney General's opinion, METRO will hold an election and voter referendum on whether the Uptown Dedicated Bus Lane Project should be converted to rail prior to METRO taking any future action to convert the Uptown Dedicated Bus Lane Project to rail; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:
Section 1. The Board of Directors hereby authorizes the Chairman of the Board to sign the joint statement drafted by the Texas Department of Transportation dated July 3, 2014.

Section 2. The Board's authorization for the Chairman to sign the joint statement dated July 3, 2014, is contingent and the Chairman's signature is valid only if METRO receives a legal opinion from the Texas Attorney General that holds that METRO's signature on the joint letter will not violate METRO's contract with the voters arising from the 2003 METRO referendum.

Section 3. Irrespective of the ultimate conclusions of the Attorney General's opinion, METRO will hold an election and voter referendum on whether the Uptown Dedicated Bus Lane Project should be converted to rail prior to METRO taking any future action to convert the Uptown Dedicated Bus Lane Project to rail.

Chair Ted Houghton
Texas Transportation Commission
125 E. 11th Street

Dear Chair Houghton:

As you know, the Uptown Dedicated Bus Lane Project is an excellent opportunity to greatly increase the movement of people and remove traffic from the highly congested I-610 West Loop. METRO has been completely supportive of this project’s implementation from the beginning. Furthermore, METRO has committed to purchasing the buses, operating them on the dedicated bus lanes, expanding the existing Northwest Transit Center, and adding many bus routes from our existing Park & Rides to feed into the project.

Please allow me to correct some of the misinformation you may have heard. METRO has always recognized this project as a dedicated bus lane and has acknowledged that fact on many occasions. Nevertheless, as a further example of our support, the METRO Board unanimously passed a resolution taking various actions yesterday regarding this exciting project.

First, the Board has authorized me to sign the July 3 TxDOT statement regarding the TxDOT portion of the project along the I-610 West Loop. However, out of respect for the “will of the voters,” if the Attorney General deems my signature as a violation of METRO’s contract with the voters, then my signature is void. Enclosed is my signature on the statement.

Second, in support of previous declarations that METRO has no intent to convert the project to rail, the resolution clearly states that METRO will hold a referendum to get voter approval prior to taking any future action to convert the Uptown Dedicated Bus Lane Project to rail.

Finally, this project is too important to our region to allow the politics of the past and the old debates of “roads verses rail” to prevent its implementation. Thus, if TxDOT or Uptown prefers a different bus service provider, we commit to work closely with them to insure the project’s success.

Thank you very much for your leadership.

Sincerely,

Gilbert Andrew Garcia, CFA
Chairman

On June 26, 2014, the Texas Transportation Commission approved an update to the Unified Transportation Program (UTP). As part of that update, potential funding was reserved for the I-610 Dedicated Bus Lane Facility from Post Oak Boulevard to I-10. This initiative will be included in future updates to the UTP based upon updated financial forecasts and will be subject to further public involvement.

We, the undersigned, agree that the I-610 Dedicated Bus Lane Facility is to be designed and built to support a dedicated bus lane. As designed, the facility will not support a rail component.

RESOLUTION NO. 2014 - 114

AUTHORIZING THE BOARD OF DIRECTORS TO APPROVE THE REVISED TRANSIT SYSTEM RE-IMAGINING PLAN AND AUTHORIZING THE PRESIDENT & CEO TO DIRECT STAFF TO BEGIN IMPLEMENTING THE PLAN IN FISCAL YEAR 2015; AND MAKING FINDINGS AND PROVISIONS RELATED TO THE SUBJECT

WHEREAS, METRO has begun an unprecedented effort to re-design its extensive transit network, to provide more frequent service and better transit services to the community; and

WHEREAS, the Board approves a METRO Re-Imagining Project that will utilize existing resources in a balanced way, to focus 80% of resources on maximum ridership with simple straight routes arriving frequently at places where transit can be most productive, and 20% of resources on maximum coverage with a particular focus on maintaining service for existing transit users; and

WHEREAS, the Board has reviewed a Re-Imagined system map that shows a new local and express bus route system, including flex zones; and

WHEREAS, the map designates routes by frequency, with 4 frequency categories based on 7-day frequency: service at least every 15 minutes, service at least every 30 minutes, service at least every 60 minutes, and peak only service; and

WHEREAS, the Board authorizes next steps in implementing this plan which includes the development and refinement of schedules, new passenger information signage, capital improvements at key bus stops, an intensive public education campaign, operator and customer support training, and public hearings on the system changes; and

WHEREAS, the Board authorizes in principal the System Reimaging Plan and authorizes the staff to begin developing detailed schedules for routes as currently drafted in the plan while concurrently working with elected officials, bus operators and
citizens of areas losing service under the draft plan to determine possible impacts on areas resulting from elimination of routes, flex service and reduction of service hours; and

WHEREAS, METRO staff will report back to the Board at the November board meeting recommendations for changes to the plan.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE METROPOLITAN TRANSIT AUTHORITY THAT:

Section 1. The Board of Directors hereby approves the revised Transit System Re-Imagining Plan and authorizes the President & CEO to direct staff to begin implementing METRO's Re-Imagining plan in fiscal year 2015.

Section 2. The Board authorizes in principal the System Reimaging Plan and authorizes the staff to begin developing detailed schedules for routes as currently drafted in the plan while concurrently working with elected officials, bus operators and citizens of areas losing service under the draft plan to determine possible impacts on areas resulting from elimination of routes, flex service and reduction of service hours; and

Section 3. METRO will hold public meetings in the proposed flex zones, in addition to the required public hearings, to discuss how the flex zones will be operated.

Section 4. METRO staff will report back to the Board of Directors at the November board meeting with recommendations for changes to the plan.

Section 5. This Resolution is effective immediately upon passage.
