QUESTIONS AND ANSWERS

1. **Q** – When is the funding available? Is it September of 2020 or October of 2020?

A – The period of funding availability under the Federal Register for the FTA Fiscal Year 2019 Apportionments, Allocations and Program Information is as follows:

Section 5307

Funds made available under the Urbanized Area Formula Program are available for obligation during the year of apportionment plus five additional years. Accordingly, funds apportioned in FY 2019 must be obligated by September 30, 2024. Any FY 2019 apportioned funds that remain unobligated at the close of business on September 30, 2024 will revert to FTA for reapportionment under the Urbanized Area Formula Program.

Section 5337

The State of Good Repair Program funds apportioned in this notice are available for obligation during FY 2019 plus three additional years. Accordingly, funds apportioned in FY 2019 must be obligated in grants by September 30, 2022. Any FY 2019 apportioned funds that remain unobligated at the close of business on September 30, 2022 will revert to FTA for reappointment under the State of Good Repair Program.

Section 5339

The Bus and Bus Facilities Program formula funds apportioned in this notice are available for obligation during FY 2019 plus three additional years. Accordingly, funds apportioned in FY 2019 must be obligated in grants by September 30, 2022. Any FY 2019 apportioned funds that remain unobligated at the close of business on September 30, 2022 will revert to FTA for reapportionment under the Buses and Bus Facilities Formula Program.
