The Metropolitan Transit Authority of Harris County is conducting a Call for Projects for the 5307 Urbanized Area, 5337 State of Good Repair and 5339 Bus and Bus Facilities Formula grant programs.

Congress establishes the funding for FTA programs through authorizing legislation that amends Chapter 53 of Title 49 of the U.S. Code. On December 4, 2015, President Obama signed the [Fixing America's Surface Transportation \(FAST\) Act](#), reauthorizing surface transportation programs through Fiscal Year 2020. The FAST Act continued the 5337 State of Good Repair and 5339 Bus and Bus Facilities formula programs established in MAP-21 and the 5307 Urbanized Area Formula Program.

The application details are available to download from the METRO website at <http://www.ridemetro.org/Pages/GrantPrograms.aspx>. Questions submitted by August 22 will be posted by August 29. Please check back for updates.

For more information about these programs or questions regarding the application and budget process, please email your questions to grantapplications@ridemetro.org or Ms. Mary Fay, METRO Director of Grant Programs, at 713-739-4697.
