TIPS TO MAKE YOUR RIDE SAFE

- * **Please have your fare ready to go when you board**
 - * **Eating and drinking is not allowed on vehicles**
 - * **Animals (except service animals) must be in a pet carrier since every animal deserves to ride in style**
 - * **Be nice:**
 - ◆ Keep phone conversations at an appropriate volume
 - ◆ Use earphones for audio or video devices, but call us if you discover a hot new band
 - ◆ Do not occupy more than one seat – no matter how nice your purse is, it doesn't require its own space
 - * **For your safety:**
 - ◆ Always stand behind the yellow line and the bus operator's seat
 - ◆ Please don't speak to the bus operator when the vehicle is in motion – they're navigating Houston traffic and we all know how difficult that is
 - ◆ Skateboards, skates, roller blades and manual scooters must be stowed – we're stoked you're on board, but please no wheelies
 - ◆ Strollers and walking aides must be collapsed and placed under or between the seats
 - ◆ Infants should be held on the lap by a parent/guardian so everyone can see your cute kid
 - * **The following are not allowed on METRO vehicles:**
 - ◆ Harassment or verbal abuse – remember the Golden Rule
 - ◆ Panhandling, begging, sales and soliciting for donations
 - ◆ Littering, spitting, threats of violence or lewd behavior
 - * **The consumption of drugs and alcohol, and the destruction of property is not allowed. Violators will be prosecuted.**
