Fare Card

Our most popular form of payment is the METRO Q Fare Card, which allows you to ride any METRO bus or train with just one swipe of your card. It is reusable and reduces transfers for up to three hours of unlimited travel. You can purchase your initial fare card for $15.00 plus tax at any METRO store, participating retailers, and the METRO website.

Metro Q Mobile Ticketing

Our mobile ticketing app makes it easy to purchase, store and activate your bus and rail tickets right on your smartphone. Learn more about METRO Q Mobile Ticketing at METRORail.com/DigitalCommuter.

Cash

Riders are welcome to pay with cash; however, exact change is required and operators cannot make change.

Accessories for Bicycles

METRO buses and light rail vehicles are 100% accessible to people with disabilities. Buses feature ramps, handrails, and audible announce- ments, and light rail trains use level platforms and audible announcements. All stations are accessible to people using wheelchairs, strollers, and other mobility devices.

METROLift

METROLift is a shared-ride public transit service available to those needing more assistance. Registered users can schedule rides using METRORail’s Automated Computer Supplies (ACS) system at (713) 635-6200, or through the ACS website https://ridemetro.org/ or call 713-635-6993.

METROLift is an on-demand, public transportation service available to people needing more assistance. Registered users can schedule rides using METRORail’s Automated Computer Supplies (ACS) system at (713) 635-6200, or through the ACS website https://ridemetro.org/ or call 713-635-6993 for details.
